29		PORCA
30		VEDACAO DE ISOLACAO DE PU
31		ISOLACAO TERMICA DA TUBULACAO

32	 <p>The image shows the cardboard packaging for a Consul air conditioner. The box is primarily green and brown. It features the 'Consul' logo in green and the text 'Condicionador de ar split' below it. On the right side, there are four green circular icons with corresponding text: 'Filtro HEPA e filtro Hign', 'Função auto lim', '8 anos de garantia', and 'Arquitetura sliver'. A blue 'A' energy efficiency label is also visible on the box.</p>	<p>EMBALAGEM PAPELÃO ONDULADO</p>
33	 <p>The image shows a clear, rectangular plastic bag, likely used for packaging accessories or components.</p>	<p>EMBALAGEM SACO PLASTICO</p>
34	 <p>The image shows a black electrical cable with a copper-colored metal probe at one end and a white plastic connector at the other, which is a thermistor.</p>	<p>TERMISTOR</p>
35	 <p>The image shows a white, curved plastic holder designed to hold a remote control.</p>	<p>SUPORTE DO CONTROLE REMOTO</p>
36	 <p>The image is a technical line drawing of a manual kit, showing a rectangular box with internal compartments and various components.</p>	<p>KIT MANUAL CONSUL</p>
37	 <p>The image shows a rectangular HEPA (High Efficiency Particulate Air) filter with a pleated, white surface.</p>	<p>FILTRO AR HEPA</p>
